1.Réamhrá/ Introduction

As a school community we are looking forward to welcoming back all the children and staff on Monday the 31st of August. After such a long break it will be nice to get back to a daily routine and some normality after such an uncertain time spent away from the classroom.

Our school will operate under new norms and as a school community we will have to adapt quickly to new and revised practices and procedures many of which are detailed in this policy. The Health, Safety and Well-being of all members of our school community is of paramount importance to us all.

Procedures have been put in place in line with HSE and Department of Education advice and guidance. These are subject to change as new advice or the changing needs of our school dictate.

All members of the school community are expected to adhere fully to the procedures put in place to minimize the risk posed by Covid-19. It is critical that staff, pupils, parents, and visitors are aware of, and adhere to, the control measures outlined and that they fully cooperate with all health and safety requirements.

2.Aidhmeanna/Aims

Through the implementation of the practices and procedures as outlined in this policy our school community aims to:

- **Do everything practical to avoid the introduction of COVID-19 into our school.**
- **Reduce the likelihood of the spread of Covid-19, insofar as possible, within our school if introduced.**
- **Detail for all members of our school community how our school will reopen for all students from the 31st of August and what the operation of our school will look like so as to be sustainable in a COVID-19 context.**
- **Ensure that all of the above is done in a calm and positive manner with the children's wellbeing considered paramount at all times.**

3. Polasaí/ Covid 19 policy Statement

Gaelscoil Donncha Rua is committed to providing a safe and healthy workplace for all our staff and a safe learning environment for all our pupils. To ensure that, we have developed the following COVID-19 Response Plan. The BOM and all school staff are responsible for the implementation of this plan and a combined effort from all members of the school community will help contain the spread of the virus.

In Gaelscoil Donncha Rua we will:

- continue to monitor our COVID-19 response and amend this plan in consultation with our staff
- provide up to date information to our staff and pupils on the Public Health advice issued by the HSE and Gov.ie
- display information on the signs and symptoms of COVID-19 and correct hand-washing techniques
- agree with staff, a worker representative who is easily identifiable to carry out the role outlined in this plan
- inform all staff and pupils of essential hygiene and respiratory etiquette and physical distancing requirements
- adapt the school to facilitate physical distancing as appropriate in line with the guidance and direction of the Department of Education
- keep a contact log to help with contact tracing
- ensure staff engage with the induction / familiarisation briefing provided by the Department of Education
- implement the agreed procedures to be followed in the event of someone showing symptoms of COVID-19 while at school
- provide instructions for staff and pupils to follow if they develop signs and symptoms of COVID-19 during school time
- implement cleaning in line with Department of Education advice

All school staff will be consulted on an ongoing basis and feedback is encouraged on any concerns, issues or suggestions.

This can be done through the Lead Worker Representative, Deirdre Ní Ghuaire, who will be supported in line with the agreement between the Department and education partners. The Deputy Lead Worker Representative is Niamh Ní Coinsidín.

Signed: Aisling Ní Airtnéada

Date: 17/08/2020

4.Comharthaí/ Symptoms

In order to prevent the spread of COVID-19 it is important to know and recognise the symptoms. They are:

- High temperature
- Cough
- Shortness of breath or breathing difficulties
- Loss of smell, of taste or distortion of taste

Coronavirus COVID-19

Coronavirus COVID-19 Public Health Advice

If you have fever and/or cough you should stay at home regardless of your travel or contact history.

If you have returned from an area that is subject to travel restrictions due to COVID-19 you should restrict your movement for 14 days. Check the list of affected areas on www.dfa.ie

All people are advised to:

- > **Reduce** social interactions
- > **Keep a distance** of 2m between you and other people
- > **Do not** shake hands or make close contact where possible

If you have symptoms visit hse.ie OR phone HSE Live **1850 24 1850**

How to Prevent

- Stop** shaking hands or hugging when saying hello or greeting other people
- Distance** yourself at least 2 metres (6 feet) away from other people, especially those who might be unwell
- Wash** your hands well and often to avoid contamination
- Cover** your mouth and nose with a tissue or sleeve when coughing or sneezing and discard used tissues
- Avoid** touching eyes, nose, or mouth with unwashed hands
- Clean** and disinfect frequently touched objects and surfaces

Symptoms

- > Fever (High Temperature)
- > A Cough
- > Shortness of Breath
- > Breathing Difficulties

5. Rioscaí a Laghdú/Minimising risk of Covid-19 in GDR

As a school community we must do everything practical to avoid the introduction of COVID-19 into our school. **If infection is not introduced it cannot be spread.** The risk of spreading the infection once introduced exists in all interpersonal interactions; student-student, teacher-teacher and teacher-student and must be managed in all settings.

A range of essential control measures have been implemented to reduce the risk of the spread of the Covid-19 virus and to protect the safety, health and welfare of staff, pupils, parents and visitors, as far as possible, within the school environment. These control measures shall continue to be reviewed and updated as required on an ongoing basis.

**It is critical that staff, pupils, parents, and visitors are aware of, and adhere to, the control measures outlined and that they fully cooperate with all procedures and health and safety requirements.*

Practices and procedures.

5.1 Promoting awareness:

- All members of our school community will actively promote awareness of COVID-19 symptoms.
- Signage informing members of the school community of the symptoms of Covid-19 and the need for social distancing are displayed at all access points to school grounds.
- All members of the school community will embed in pupils the need for appropriate respiratory hygiene and hand hygiene.
- Parents, pupils and staff will adhere to all procedures.

5.2 Attendance at school:

- Members of the school community who display symptoms of Covid-19 **MUST NOT ATTEND or VISIT OUR SCHOOL** and should immediately phone their doctor and follow HSE guidance on self-isolation.
- Members of the school community **MUST NOT ATTEND OR VISIT OUR SCHOOL** if they have been identified by the HSE as a contact for person with COVID-19 and must follow the HSE advice on restriction of movement.
- Staff and pupils that develop symptoms at school must promptly bring this fact to the attention of the Principal, Deputy Principal, as appropriate.
- Staff and pupils must know the protocol for managing a suspected case of COVID-19 in school as detailed in Section 8 of the DES Guidelines.
- Everyone entering the school building must perform hand hygiene using hand sanitiser provided at each entrance.
- If pupils are sick they **MUST NOT** present for school.
- **Visits** to the school by all persons other than staff and pupils will be **by appointment only**. Appointments must be arranged in advance through the school office, by phone on 061-363165 or by email at gaelscoildrua@gmail.com.
- Each visitor to the school will be required to complete a Contract Tracing Log irrespective of the duration of the visit.
- Parents must drop and collect pupils at the designate time and not enter the school grounds.

The only exceptions to this are:

- In the case of Junior and Senior Infants and children attending the Early Intervention pre-school, ONE parent/designated person can accompany pupils in these classes for assembly and dismissal. Parents/designated persons **MUST** practice physical distancing of 2m.
- On Monday the 31st of August & Tuesday the 1st of August 2020 Junior infant starting time will be significantly staggered in order to allow two parents accompany pupils to school if they so wish.
- In the case of pupils with additional educational needs to an extent that the school advise the pupil to be accompanied, ONE parent/designated person can accompany pupils in these instances for assembly and dismissal.

- Parents/designated persons **MUST** practice physical distancing of 2m.
- Physical distancing of 2m should be maintained between staff and all visitors to the school.
- Physical distancing of 2m should be maintained between all adults when on school grounds.
- Adults accompanying pupils to school as detailed above and visitors with pre-arranged appointment **MUST** wear suitable face coverings.

5.3 Respiratory Hygiene

All members of our school community MUST practice and actively promote good respiratory hygiene at home and at school as this will help protect people around us from viruses such as flu and Covis-19.

Good respiratory hygiene entails:

- Covering your mouth and nose with a tissue or your bent elbow when you cough or sneeze.
- Disposing of the used tissue immediately and safely into a nearby bin.
- Bins will be emptied at regular intervals.

5.4 Hand Hygiene

All members of our school community **MUST** practice and actively promote effective hand hygiene at home and at school.

- **Staff and pupils must understand why hand hygiene is important as well as when and how to wash their hands.**
- **Hand sanitisers are installed, with appropriate signage, at each entry point, in each classroom and at appropriate locations throughout the school.**
- **Posters are displayed at each hand washing station throughout the school showing effective hand washing technique.**
- HSE guidelines on handwashing are available at:
<https://www2.hse.ie/wellbeing/how-to-wash-your-hands.html>

- All persons entering the school building must perform hand hygiene using hand sanitiser provided.

Hand hygiene can be achieved by hand washing or use of a hand sanitiser (when hands look clean).

Frequency of Hand Hygiene

Pupils and staff MUST perform hand hygiene:

- **On arrival at school**
- **Before eating or drinking**
- **After using the toilet**
- **After playing outdoors**
- **When their hands are physically dirty**
- **When they cough or sneeze.**

5.5 Physical Distancing

Maintaining physical distancing in the school environment is one of the key control measures to minimize the risk of the introduction and spread of COVID-19.

Physical distancing will be usefully applied in our school allowing for some flexibility when needed. It will be applied in a practical way that recognises that the learning environment cannot be dominated by a potentially counterproductive focus on this issue. Physical distancing in our school will look different across the various ages and stages of learning.

It is recognised that it is not always possible for staff to maintain physical distance from pupils and it is not appropriate that they would always be expected to do so where this could have a detrimental impact on the pupil i.e. if a child sustains an injury and requires first aid.

However, where possible staff should maintain a minimum of 1m distance and where possible 2m. They should also take measures to avoid close contact at face to face level such as remaining standing rather than sitting beside/crouching down. Staff will wear suitable face coverings while at work.

All adult visitors to the school, as scheduled by appointment, MUST maintain a 2m distance from school staff and wear suitable face coverings.

Our school community is committed to the two principles of physical distancing, namely, **increasing separation** and **decreasing interaction**, as a means of minimising the risk of the introduction of Covid-19 to our school.

6. Plean scoile/School plan & procedures

We are very fortunate here in Gaelscoil Donncha Rua that we have smaller numbers in each class in comparison to many other primary schools throughout the country. Every effort will be made to ensure that the children get out in the fresh air as much as possible and that when they are in their classrooms that it will be well ventilated and that their work space will be clean and organised in a way that close contact with one another will be limited.

Rang/Class	Múinteoir/Teacher	Daltaí/No.of pupils	Classroom
Naíonáin/Junior and Senior infants	Múinteoir Aisling	13	Same room as last year
Rg a 1 & a 2	Múinteoir Tricia	17	Moved to ASD room
Rg a 3& a 4	Múinteoir Aine	13	Múinteoir Tricia's classroom from last year
Rg a 5& a 6	Múinteoir Francis SNA: Sinéad	16	Same classroom as last year
Seomra Sonas (ASD class)	Múinteoir Geraldine SNAs:Desiree & Angela	6	New classroom in first pre-fab to the right as you enter the school yard.
Seomra Spraoi (Early Intervention Pre-school)	Múinteoir Deirdre SNAs: Fiona & Niamh	6	Same classroom as last year.

Each classroom will be considered as a 'bubble' and will remain with the same teacher throughout the school day. Within the bubble there will be a number of 'pods' (groups) of students that will be encouraged to use a designated area of the classroom throughout the day. This will ensure that interaction amongst the older classes will be decreased, the younger classes will be treated according to their age and what is practical for the different activities throughout the day.

Drop off and collection times will also be staggered for the first month of school to ensure that there is as little congestion as possible outside the school gate.

Class	Drop off time	Collection time	Door to use for entering classroom
Naíonáin/Infants	8:50	12:00 (for 1st 4 weeks)	Exit door facing carpark
Rg 1-2	8:50	2:30	Main classroom door
Rg 3-4	9:00	2:40	Main classroom door
Rg 5-6	9:00	2:40	Main classroom door
ASD class	8:50	12:00 for new infants (for first 4 wks) 2:35 for the other students in Geraldine's class	Office front door (facing front gate)
Early Intervention pre-school	9:00	11:50 (first 4 wks)	Classroom door

Exceptions will be made for families with siblings in both the younger and older classes. Those children must go directly to their own classrooms on arrival as no assembly/líne will take place in the morning time. However, no child must be dropped to the school before 8:45 as the gates will remain closed until then, go raibh maith agaibh.

All teachers and SNAS will be in their classrooms from 8:50 onwards awaiting the arrival of the children (with exception to SNAs acting as bus escorts).

6.1 Parental responsibilities on drop off and collection:

- Parents must arrive on time for dropping off and collecting their child.
- Only parents or carers who are well and have no symptoms of COVID-19 or who have served the required quarantine time of 14 days where advised are allowed to drop off and collect children.
- Any parent who is in a high risk category should not drop off or collect children in order to protect themselves.
- Parents must not congregate in groups.
- Parents who are permitted on school grounds (Infants and SEN) must ensure their child remains at their side at all times.
- Parents who are permitted on school grounds (Infants and SEN) must wear suitable face coverings
- A drop and go/collect and go policy will be in place. Under no circumstances are parents to congregate on or outside school grounds.
- At arrival and departure times of children, social distancing is to be maintained by children and parents.

6.2 Decreasing interaction

Due to the layout of and available space in our school we are fortunate to be in a position to decrease, insofar as possible, interaction between pupils in different Bubbles. In doing this we will adopt a common-sense approach while recognising the limits to which this can be achieved between pupils.

Break times for class bubbles will be staggered and separate play areas will be allocated to classes within each bubble as detailed below.

Play areas:

Zone 1-Enclosed area with pirate ship

Zone 2- Grass/basketball court areas

Zone 3- Under the shelter and front of yard

Class	Break time	Lunch time	Zone
Naíonáin/Infants	10:50-11:10	12:20-12:40	1
Rg 1-2	10:50-11:10	12:20-12:40	2
Rg 3-4	11:10-11:30	12:45-1:05	2
Rg 5-6	11:10-11:30	12:45-1:05	3

Early Intervention Pre-school	10:30-10:50	12:00-12:20	1
ASD class	SEN students from ASD class will have lunch with their appropriate class as part of integration.	Same time above depending on class level.	Same zone depending on class level.

*Zones will be alternated by way of a timetable displayed in the school yard marking classes and zones.

7. Eolas do Thuismitheoirí-What parents need to know

7.1 Books etc.

- Parents must ensure that all **books/writing equipment** are sanitised using alcohol wipes before being placed in the child's schoolbag.
- Parents must ensure that all of the child's equipment/books/copies are labelled with the child's name as **equipment/books cannot and will not be shared.**
- We are asking parents to ensure your child has a pencil case for home use and another one for school use. The pencil case used at home will not be brought to school and the pencil case used in school will not be brought home.
- For the start of the school year all books will remain in school.

7.2 Clothing

- Parents ensure your child can, or if not, teach your child to open/close their own coat and tie their own shoes. Shoes with Velcro should be used where pupils are unable to tie their own.

7.3 Handshaking/Hugging

- While we will all be delighted to see each other again, hand shaking and hugging will not be allowed.

7.4 Home/School Communication

- For the start of the school year communication between home and school will take place electronically using e mail and Aladdin Connect.
- Face to face meetings will only be used in exceptional circumstances.

7.5 Homework:

- Homework will not be assigned until later in September, however, we would strongly encourage each pupil to read as extensively as possible during this time. A new homework policy will be issued after everyone has settled in.

7.6 Hygiene and Cleaning

- Sanitiser dispensers have been installed throughout the school e.g. at each entrance, in each classroom and support room, and in offices.
- Hot water and emulsifying soap are available in all toilets.
- Hand hygiene will be promoted and encouraged, and parents/guardians are asked to support the school in reinforcing this message.
- In accordance with the DES guidelines, the school will be thoroughly cleaned by Shanahan's Cleaning and Maintenance once per day.
- Frequently touched surfaces – door handles, handrails, communal eating areas, sink and toilet facilities will be cleaned on a rotational basis during the school day by a cleaner supplied by the cleaning company.
- All staff will have access to cleaning products and will be required to maintain cleanliness of their own work area. Under no circumstances should these cleaning materials be removed from the building. Staff should thoroughly clean and disinfect their work area before and after use each day.
- Waste will be collected regularly from offices and other areas within the school.
- Staff must use and clean their own equipment and utensils (cup, cutlery, plate etc.)

7.7 ICT

- A timetable will be drawn up for the use of common devices. Devices must be cleaned after use and before they are returned for charging.

7.8 Lunches

- Parents must ensure that all **lunch boxes/water bottles** are sanitised using alcohol wipes before being placed in the child's schoolbag.
- **Parents MUST ensure that pupils have sufficient lunch/drink coming to school each morning as we will not be in a position to accept and distribute lunches during the school day.**
- Please remind your children not to share their food or drinks with other children.
- Please make sure your child is self-sufficient ie. they can open/peel any lunch/drink you pack for them. Please pay particular attention to any drinks that require a straw.
- Children will eat their lunches at their desks. No food will be allowed onto the yard.
- All leftovers/waste must be stored in each pupil's lunchbox and must be disposed of at home.

7.9 Office

- We request that parents use bank transfers as much as possible to minimise the amount of cash that needs to be handled. **BIC: AIBKIE2D IBAN: IE07AIBK93548410546002**
- Attendance at school office is by pre-arranged appointment only.
- Pupils will not have access to offices.
- As far as possible, staff members should minimise their entry to the office area.

7.10 Photocopying.

- Any staff member who uses the photocopier must clean it down after use with the wipes provided.

7.11 Physical Education and P.E. Equipment

- Physical Education lessons will take place outside when the weather allows. Teachers will organise lessons that require very little if any equipment. Staff members and pupils will be encouraged to take additional breaks outside during the school day. While these breaks are taking place all windows in the classroom should be opened to allow for ventilation. All PE equipment if used must be sanitised after use.

7.12 Punctuality

- It is essential that parents/pupils adhere strictly to the times allocated for drop off and collection. Parents of pupils who present late for school must contact the school office by phone to arrange entry to the school. Pupils remain the responsibility of the parents/guardians until they have arranged access to the school.

7.13 Returning from abroad

- **Children who have travelled from countries not on the Green List must not attend school during the 14-day self-isolation period which commences on the date of return to Ireland.**

7.14 Staffroom

- All staff members must maintain a physical distance of 2 metres when they are not engaged in teaching e.g. when they are using the staff room and arriving to work.
- Staff meetings for the most part will be held remotely or in small groups if deemed necessary
- Staff members should bring their own cups, bottles, cutlery, etc. to school and avoid sharing utensils in the staffroom as far as possible.
- Due to staggered break times a max of 2 people at any time will be in the staffroom.

7.15 Substitute Teachers and SNAs

- The sequence for covering all teacher absences will be in accordance with DES circular 0045/2020. A copy of the Covid-19 Response Plan will be provided to each substitute teacher/SNA. Substitutes will be required to complete a Return to the Workplace form before they enter a classroom and will be asked to confirm that they have engaged in the online Induction training.

7.16 Teaching and Learning

- As a school, we are very aware that the children have been away from school since March 12th. We appreciate the time and effort that went into Home Learning, and we recognise the challenges that Home Learning presented for all families.
- Each child will be in a different place in relation to his/her learning, and we wish to assure you that staff will take that into consideration when planning for Teaching and Learning during the 2020/2021 school year.
- The Department of Education and Skills has published Curriculum guidelines for schools, as we work with all the children during the return to school. Initially there will be a focus on Language, Numeracy, SPHE and PE. As advised by the National Educational Psychological Services we will need to **“Slow down to catch up”**.

7.17 Team Teaching/Special Education Teachers/Special Needs Assistants

- Staff members (particularly Support Teachers and SNAs) may rotate between areas/classes but this will be limited to movement between a maximum of two zones. When rotation occurs, agreed sanitising routines will be observed.
- In keeping with our Special Education policy, support will be provided by a blended approach of in-class support and withdrawal.

- The provision of support will be organised to ensure our support teachers will work as far as possible, within the confines of a bubble (class)
- Where a support teacher is working alongside a class teacher in a classroom, both teachers must be mindful of maintaining social distance from one another.
- The tables and chairs in SET rooms will be wiped clean by the SET in between different pupils or small groups attending.

7.18 Uniforms

- There is no guidance or advice to say that school uniforms or tracksuits should be washed every day and this is not practical for most families. However children's uniforms must be clean and washed regularly as a child may have coughed or sneezed into their sleeve as per coughing protocols.
- As a school we strongly advise that children should wear their school uniforms **only for school related activities.** Uniforms or tracksuits should be taken off straight after the child arrives home from school for the day. They should not be worn in after-school facilities, shops, during after-school activities, etc.

7.19 Ventilation

- To ensure that classrooms are well ventilated, windows will be kept open as often as possible, and will be opened while children are taking breaks in the playground.

7.20 Visiting Teachers/Coaches

- The possibility of facilitating extra-curricular will eventually be explored. However, it is not recommended that children from different bubbles would participate in extra-curricular activities at the same time. For the foreseeable future all of these activities are suspended.

7.21 Wellbeing of the School Community

We will work on the recommended five principles to support the wellbeing of all our pupils and staff.

These are promoting:

- A sense of safety
- A sense of calm
- A sense of belonging and connectedness to school
- A sense of self-efficacy and school-community efficacy
- A sense of hope

Our usual practice is to provide support to pupils based on the Continuum of Support. This is a tiered system that provides Whole School and Classroom Support for all pupils, additional School Support for some pupils, and School Support plus extra targeted intervention for a few pupils with complex needs.

- The Stay Safe programme will be taught in all classes at the start of the school year.
- Increased emphasis will be placed in all classes on SPHE / PE and outdoor activities.

8. Conas déileáil leis/ How we will deal with suspected case

We love to see all of our children at school every day. However, under the current circumstances, if children are sick they must not be sent to school.

- Parents/guardians must keep children at home if they display any Covid-19 Symptoms. <https://www2.hse.ie/conditions/coronavirus/symptoms.html>
- Staff must not attend school if they display any symptoms.
- The small learning resource prefab at the front of the school is the designated isolation area.
- If a staff member/pupil displays symptoms of COVID-19 while at school, the following procedure will be implemented:
 - ✓ The pupil will be accompanied to the isolation area. A distance of 2 meters will be maintained. The person accompanying the child must wear a face covering.

- ✓ If a pupil has a suspected case, parents/guardians will be contacted immediately by telephone. Parents must make sure that their contact details are kept up to date at all times. If we are unable to contact a parent/guardian, it will be considered a serious breach of Health and Safety.
- ✓ Staff members who are symptomatic should immediately inform the Principal/Deputy Principal and go to the isolation area.
- ✓ A face covering will be provided to the staff member/child who is symptomatic.
- ✓ The staff member or child who is symptomatic should avoid touching people, surfaces and objects.
- ✓ If the staff member/child is well enough to go home, arrangements will be made for them to be transported home by a family member, as soon as possible.
- ✓ Anyone who is symptomatic is advised to inform their general practitioner by phone of their symptoms. Public transport of any kind should not be used to travel home.
- ✓ If the staff member/child is too unwell to go home or advice is required, the school will contact 999 or 112 and inform them that the sick person is a Covid-19 suspect.
- ✓ The isolation area and work areas will be thoroughly cleaned in line with the guidelines.
- ✓ The HSE will inform any staff/parents who have come into close contact with a diagnosed case via the contact tracing process. The HSE will contact all relevant persons where a diagnosis of COVID-19 is made. The instructions of the HSE should be followed and staff and pupil confidentiality is essential at all times.

- ✓ It is important to remember that any of us can get sick or unwell, and if we do, we need understanding and support from those around us. It is essential that anyone who feels unwell makes that known to the Principal/Deputy Principal as soon as possible.

**This policy was sanctioned by the Board of Management of Gaelscoil
Donncha Rua on _____ of August 2020**

Signed: *Antóin Mac Mathúna*

Date: *25ú Lúnasa 2020*

Chairperson

9. Críoch/Finish

The significance of a strong home-school link is more important than ever during these uncertain times and we rely greatly on every staff member and parent to work together to ensure a safe return to school for all the children.

Throughout this policy we have done our best to balance the need for a practical and sensible level of caution with the need to provide a supportive environment for teaching and learning.

I dreamed I stood in a studio
And watched two sculptors there,
The clay they used was a young child's mind
And they fashioned it with care.

One was a teacher:
the tools she used were books and music and art;

One was a parent
With a guiding hand and gentle loving heart.

And when at last their work was done,
They were proud of what they had wrought.
For the things they had worked into the child
Could never be sold or bought!

And each agreed she would have failed
if she had worked alone.
For behind the parent stood the school,
and behind the teacher stood the home!

Ar scáth a chéile a mhaireann na daoine!
