Gaelscoil Donncha Rua aims to protect the wellbeing of its students by providing a safe and nurturing environment at all times. We have taken a number of measures to create a coping, supportive and caring ethos in the school. We have formulated a policy and procedures to be followed with a view to ensuring the physical and psychological safety of staff and students, both in ordinary time and in the event of a critical incident.

What is a critical incident? Gaelscoil Donncha Rua recognises a critical incident to be “an incident or sequence of events that overwhelms the normal coping mechanism of the school and disrupts the running of the school” Critical Incidents may involve one or more pupil, staff, the school, or our local community.

Types of incidents might include:

- The death of a member of the school community through sudden death, accident, terminal illness, or unplanned death.
- An intrusion into the school.
- An accident/tragedy in the wider school community.
- Serious damage to the school building through fire, flood, vandalism etc.
- The disappearance of a member of the school community.
- An accident involving members of the school community.

Aim:

Gaelscoil Donncha Rua realise that the key of managing critical incidents is through planning. We have developed a Critical Incident Management Policy and an accompanying plan. Our hope is that in the event of an incident these will help staff to react quickly and effectively maintain a sense of control. We have aimed to compile a policy and to return to normality as soon as possible

after a potential critical incident and ensure that the effects on the students and staff would be limited.

Creation of a coping supportive and caring ethos in the school:

We have put systems in place to lessen the probability of the occurrence of an incident. These include measures to address both the physical and psychological safety of both staff and students.

Physical Safety:

We have included into our Health and Safety Policy: -

Evacuation plan in the event of a fire. (See fire drill.)

Regular fire drills occur (monthly).

Fire exits and extinguishers are regularly checked.

Pre-opening morning time supervision starts at 8.45am and is the responsibility of the principal. If the principal is unavailable, it becomes the responsibility of the deputy principal.

Children cannot be taken from school during school hours without informing the principal or secretary. Pupils are regularly reminded of the rules of the playground. These rules are discussed and reviewed at staff meetings.

Psychological Safety:

We have created an open and encouraging environment in the school where students can talk about their difficulties and seek help.

Our Discipline policy includes an approach to bullying.

Our Mission Statement specifies that all children will be given equal hearing.

S.P.H.E. programmes are included in the curriculum to address issues such as, grief and loss, communication skills, stress and anger management, conflict management, problem solving, help seeking, decision-making, and alcohol and drug prevention.

All staff are informed of difficulties affecting individual students, and are aware and vigilant to their needs.

All staff have access to books and resources on difficulties affecting the Primary School Child.

The school has developed links with outside agencies such as the clergy, N.E.P.S., H.S.E, school nurse, cigire and the I.N.T.O.

The staff will be cognisant of the differing needs of international pupils and special educational needs pupils.
